Discrepancies have occurred in the captions (legends) of figures 1,2,3 of a case report titled “Clinicoradiographic Presentation of a Girl with Progressive Pseudorheumatoid Arthropathy” by Ali Al Kaissi and Franz Grill published in JCPSP February 2010, Vol. 20 (2):140-141. The correct legends of figures are reproduced below which may be corrected and read as such.

**Figure 1:** Lateral spine radiograph showed platyspondyly associated with multiple osteophytes and irregular end plates.

**Figure 2:** Anteroposterior pelvis radiograph showed broad iliac bodies and femoral necks and irregular acetabular roofs, associated with irregular and flattened epiphyses and osteoarthritis of both hip joints.

**Figure 3:** Sagittal CT scan showed detached and fragmented odontoid that had become attached to the clivus (dystopic type) of OO associated with sclerotic changes.

A discrepancy has occurred in the article titled “Clinical Profile and Postoperative Outcome in Patients with Simple and Complex Aspergilloma of Lung” by Tanveer Ahmad, Syed Waqar Ahmed, Niaz Hussain and Khurram Rais published in JCPSP March 2010, Vol. 20 (3): 190-193. On page number 190, there is an error in the last line of result's section in abstract which reads “Early mortality was 8.1% and 0% in group A and group B, respectively (p=0.552)” instead of “Early mortality was 0.0% and 0.0% in group B and group A, respectively (p=0.552)”.

The same may be corrected and read as such.
